ABOUT ME

Computer Science Student

I'm Praveen Sankalpa, a 20-year-old IT undergraduate at the Informatics Institute of Technology (IIT), passionate about software engineering, web development, and modern technologies. With growing skills in JavaScript, Python, Java, and UI/UX design, I enjoy solving real-world problems and building clean, user-friendly applications. I'm a fast learner with strong critical-thinking and collaboration abilities, always exploring new ideas and improving my technical foundation. My long-term goal is to become a skilled software engineer and eventually build my own tech company, working with global teams and emerging technologies.

EDUCATION

2024(SEP) - PRESENT BSc(Hons) in Computer Science

UNIVERSITY OF WESTMINSTER

1st Year Modules

- Software Development I - 75%
- Mathematics Computing - 80%
- Trends in Computer Science - 69%
- Computer Systems Fundamentals - 88%
- Software Development II - 45%
- Web Design and Development - 60%

2nd Year Modules

- Object-Oriented Programming - 57%
- Database Systems - 85%
- Software Development Group Project - 50%
- Advanced Client-Side Development - 60%
- Human Computer Interaction - 89%
- Professional Development - 88%
- Client Server Architecture - N/A

2023(SEP) - 2024(MAY) Software Engineering Foundation Program

INFORMATICS INSTITUTE OF
TECHNOLOGY

- Merit pass

2012 (JAN) - 2023(MAY)

Harischandra College

Grade 1 - Ordinary level

- Mathematics - A
- Sinhala Lang. & Lit. - A
- Buddhism - A
- ICT - A
- Arts - B
- Science - B
- History - C
- English - C
- Commerce - C

CERTIFICATION

- PYTHON GUI DEVELOPMENT WITH TKINTER CERTIFICATE
- CHATGPT PROMPT ENGINEERING FOR BEGINNERS
- HP LIFE ONLINE COURSE: AI FOR BEGINNERS
- PYTHON FOR BEGINNERS ONLINE COURSE
- JAVA PROGRAMMING CERTIFICATE (PDU)

PROJECTS

2025 (SEP-Present)	MUC Digital (Front End, Back End) A digital transformation project for the Maharagama Urban Council, built using Flutter/React, Node.js, Firebase, Google Maps API, and PayHere. The platform enables real-time garbage truck tracking, waste-type alerts, paid pickup scheduling, illegal dumping reporting, and locating dump points. It also supports online booking for council properties, vehicles, and equipment, as well as cemetery and crematorium services. Additional features include emergency contact access, council announcements, and an integrated AI chatbot to improve citizen engagement. Project_Link
2025 (OCT-NOV)	WaveLink (HCI / UX-Focused Application) A mobile application focused on HCI and UX principles to promote ocean conservation under SDG 14. WaveLink gamifies beach cleanup activities through daily missions, progress tracking, social interaction features, and reward systems such as discounts at partnered beach restaurants and resorts. The project aims to increase youth participation in marine protection while making conservation activities more engaging and accessible. Project_Link
2024 (FEB-MAY)	Developed an innovative mobile app to track and reduce water usage. Developed a smart water conservation app that tracks water usage, detects leaks, and provides AI powered tips to reduce waste. Integrated IoT and community challenges to promote sustainable water management. Project_Link
2023(OCT-DEC)	TRAFFIC INSIGHTS AND VISUALIZATION FOR LOCAL GOVERNANCE PLANNING Developed a Python-based application to analyze traffic data from CSV files. At two junctions in urban areas, traffic data was recorded to enable data-based decisions regarding traffic management at the local government level. Project_Link

SKILLS

Professional Skills	Personal Skills
• Python • HTML & Css • JavaScript • Java OOP	• UI/UX Design • Database Handling • Web Development • Problem Solving • Time Management • Leadership • Team Collaboration • Critical Thinking • Creativity

EXTRACURRICULAR ACTIVITIES & ACHIEVEMENTS

- School Prefect (4 Years) – Demonstrated leadership and responsibility.
- Sports Achievements – Participated and placed in volleyball, football, cricket, elle, chess, and district-level athletic events (discus, shot put, javelin).
- Vice Sports Captain – Assisted in organizing and leading house sports activities.
